# reflection

This week our discussion is about having patience with  
God's plan and His timing

Read John 15: 1-10

How many times do you see the word "Abide" or depending on translation "Remain".

If you could summarize this passage in one sentence, what would it be?

What does it mean to Abide and what result does abiding or remaining have in our lives?

What does Jesus say we need to abide in?

If you were to honestly look at your habits and lifestyle, what do you feel you are currently abiding in?

We all experience trials at some point, things that make us question, and things that don't make sense to us. How do we learn to surrender our expectations, our questions and our outcome to God?

Read Habakkuk Chapters 1-3

What does the phrase Lord, How Long.... make you think of? Have you asked that before or felt that way?

What is the prophet's first complaint?

What is the second?

What is God's response?

How does Habakkuk feel about it?

Does his feeling change?

Is there a difference between what he "feels" and what he believes to be true?

What does this book tell us about:

- A) patience
- B) God's character
- C) our reactions
- D) God's timing
